SUBJECT: LESTER R. PITMAN

Dear David:

We have not heard from you concerning the above named individual. We received an Ineligible-Volunteer Record Sheet, dated August 17, 1989. A little later you indicated that this case was scheduled for court last fall.

We would like newspaper clippings, court records, or other material which would indicate both the type of case and also the outcome of any legal action which has taken place. We must have this information, if we are to have a file strong enough to refuse registration anywhere Mr. Pitman might apply. All we have so far, is your statement that says there was suspected child abuse. We do not know whether this was [redacted] on a boy or a girl, or what the real type of abuse was. Was this physical or sexual?

We really would appreciate your help in getting more information, so we can help you to protect the youth of America.

Sincerely,

Paul Ernst, Director
Registration Service

Periodically, I follow up on all of our cases which have not been completed. Mr. Pitman's file has now come to the "top of the stack".

Last summer you indicated the trial was scheduled for the fall. Since we have not heard from you, we wondered if it had been postponed again. Please give us any information that you have available.
